She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. It looked very old. It had been rebuilt and rebuilt again, but not for a long time. Nor had anyone lived in it for a long time, from the feel of it. But it was a pleasant feeling, as if those who had slept there had slept peacefully. As for decrepit walls, mice, cobwebs, and scant furniture, none of that was new to Irian. She found a bald broom and swept out a bit. She unrolled her blanket on the plank bed. She found a cracked pitcher in a skew-doored cabinet and filled it with water from the stream that ran clear and quiet ten steps from the door. She did these things in a kind of trance, and having done them, sat down in the grass with her back against the house wall, which held the heat of the sun, and fell asleep. For base ends, it becomes weak and noxious.... Of course, even a sorcerer gets paid. And wizards, to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The. Another pause. Golden glanced over at his wife, who stood by the window listening in silence. Then he looked at his son. Slowly the mixture of anger, disappointment, confusion, and respect on his face gave way to something simpler, a look of complicity, very nearly a wink. "I see," he said. "And what did you decide you want?". Hound smiled. "They haven't undone what you did yet, either," he said. "Old Whiteface was crawling. Spell that would hide him from them all. Puzzle me. He lay there now like a dead man. But the curer from the south said he wasn't dead, and was as dangerous as an adder. San told how Otak had put a curse on Sunbright and said some awful words that made him get smaller and smaller and wail like a stick in the fire, and then all in a moment he was back in himself again, but sick as a dog, as who could blame him, and all the while there was this light around the other one, Otak, like a wavering fire, and shadows jumping, and his voice not like any human voice. A terrible thing. Of pulling it off, but it pleased him as a gesture of disrespect to all the piety and pomposity of peddlers working their way from one islet to the next among the mazy channels. Crow had stocked. "I've been thinking," he said. "There are eight of you. Nine's a better number. Count me as a." Not so abruptly as the Namer, in the light and shadow under the trees. Irian watched till he was. He heard behind him the next tune start up, the viol alone, strong and sad as a tenor voice.
